### **DETAILED ACTION**

1. This office action is in response to the amendment filed on September 5, 2007, in which claims 1 and 4-19 are presenting for further examination.

#### ***Response to Arguments.***

2. Applicant's arguments filed on September 5, 2007, with respect to claims 1 and 4-19 have been fully considered and are persuasive. The rejection of claims 1 and 4-19 set forth in the last office action has been withdrawn.

#### ***Allowable Subject Matter***

3. Claims 1 and 4-19 are allowable in light of the Applicant's arguments and in light of the prior art made of record.

#### ***Reasons for Indicating Allowable Subject Matter***

4. The following is an examiner's statement of reasons for allowance: Upon searching a variety of databases, the examiner respectfully submits that "an application programming interface that enables application programs to access all of the services and capabilities of the storage platform and to access the data described in the schemas, and is configured to track changes to register specific application programs for notifications that indicate changes to specific data" in conjunction with all other limitations of the dependent and independent claims are not taught nor suggested by the prior art of record (PTO-892 and 1449). Therefore, all pending claims 1 and 4-19 is hereby allowed.

Any comments considered necessary by applicant must be submitted no later than the
